# THE TROJAN

---

Osawatomie High School  
Osawatomie, Kansas

COPYRIGHT, OSAWATOMIE HIGH SCHOOL, 1964

# FOREWORD

We, the students of Osawatomie High School, live busy lives. During the school year we participate in many activities which we would like to remember through the years.

In the 1964 Trojan the annual staff has recaptured some of the memories of the past year: The challenge of our studies, the teamwork in our organizations, the excitement of our sport events, and the fun at our parties. It has presented these activities as they are seen through the eyes of the students, since they are the ones who have supplied the faces and the events.

As you browse through the pages of this yearbook, may you find real enjoyment in its contents both now and in the years to come.

Spring Activities . . . . .	77

## DEDICATION

To our mentor and friend, Mr. J. Henry Reb, we dedicate to you this, our 1964 Trojan.

Starting your teaching at O.H.S. in 1924, you have provided the students with advice, guidance, and encouragement.

It has been our privilege to be in your classroom where you have extended to us the opportunity to gain more knowledge in scientific fields.

We, along with the alumni of O.H.S., will always remember you with sincere appreciation.

The winners are announced.

Crown bearers give crowns to Nancy.

## Juniors Won Mr. And Miss Trojan Contest

The candidates for Mr. and Miss Trojan entered the auditorium as they were announced by Mr. Reb after "The Fanfare for a Ceremonial Occasion."

Mr. Reb delivered to the student body a short address on "The Responsibility of Winners and Losers." He announced Dean Spears and Rita Breedlove as winners from the Junior Class having raised \$295.88. The attendants were Seniors: John Baumstimler and Diane Davis, \$224.50; Sophomores: Dennis Reinecker and Alberta Byers, \$222.18; Freshmen: Ronnie Barden and Kathy Davis, \$119.56.

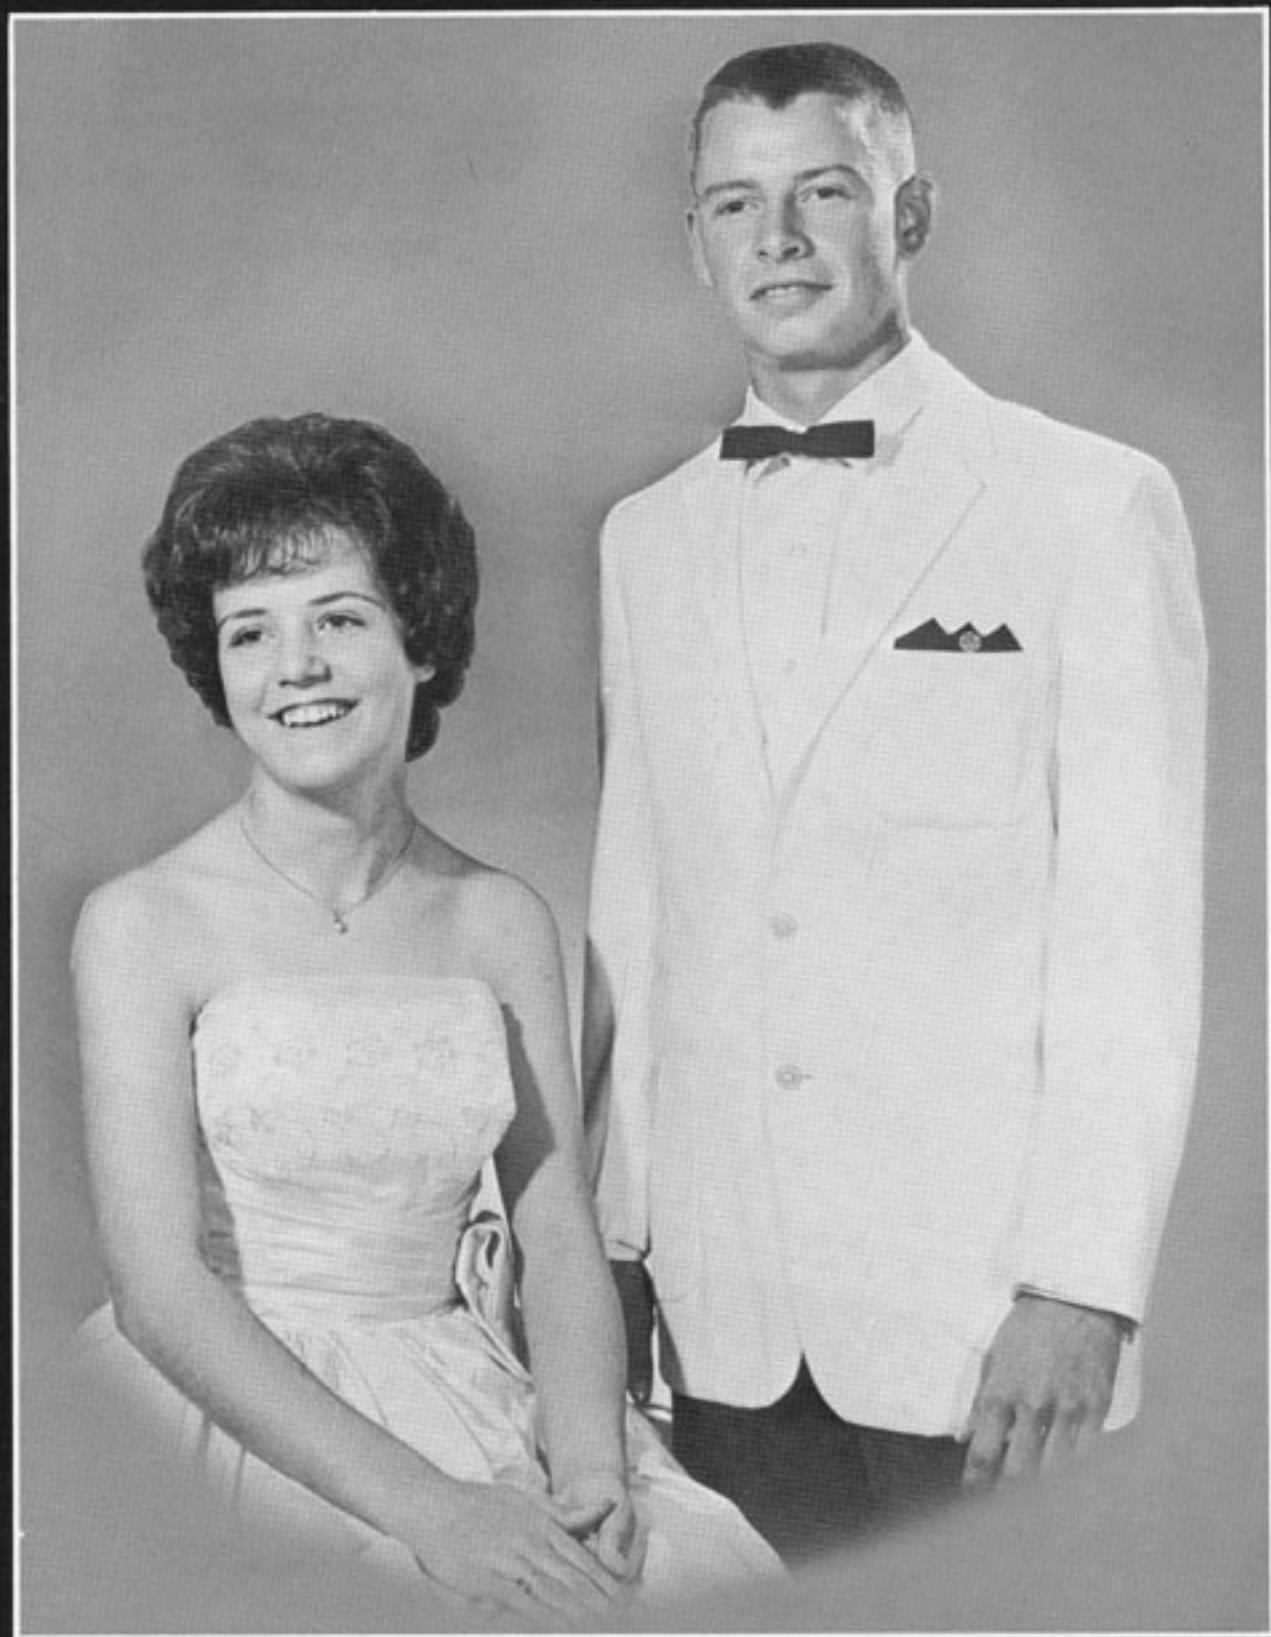

The crown bearers Tommy MacPherson and Barbara Eichorn presented the crowns to Mr. Reb who in turn crowned Mr. and Miss Trojan. Nancy Craig, editor of the 1964 Trojan, presented Dean with a tie tack and Rita with a dozen red roses.

The contest began October 18 and was concluded October 30. The success of this contest can be contributed to the cooperation and hard work of each class.

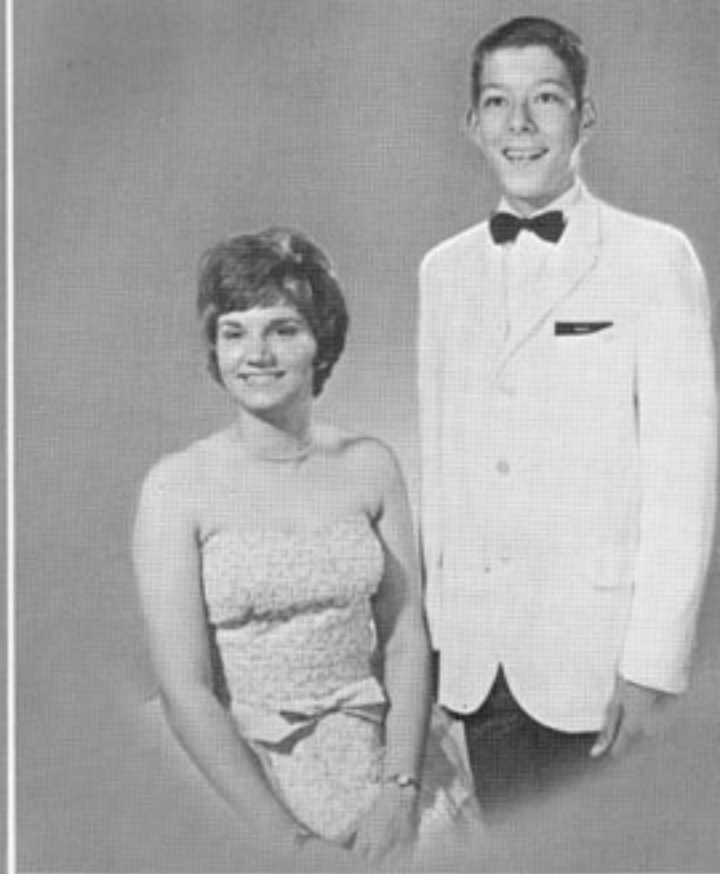

Mr. and Miss Trojan 1964 and attendants pose for pictures.

Yearbook Staff glances over material for their first deadline. SEATED: Diane Davis, Diana Rayle, Cecelia Slayman, Jamie Demastus, Nancy Craig. STANDING: Jeff Dunaway, Drew Cornelius, Craig Whitt, Troy McCoach, Judy Biser.

## Write-ups Are Stressed To Enhance Memories

Nancy Craig, editor, fills out type specification form and checks deadline schedule.

Diana Rayle, business manager, and Mr. Ewbank, sponsor, examine football and basketball fellas which was a money making project to pay for the '64 Trojan.

Craig Whitt, sports editor, receives advice on a sports layout from associate editors Diane Davis and Judy Biser.

Cecelia Slayman, picture coordinator, and Jamie Demastus, organization editor, separate individual pictures into home rooms.

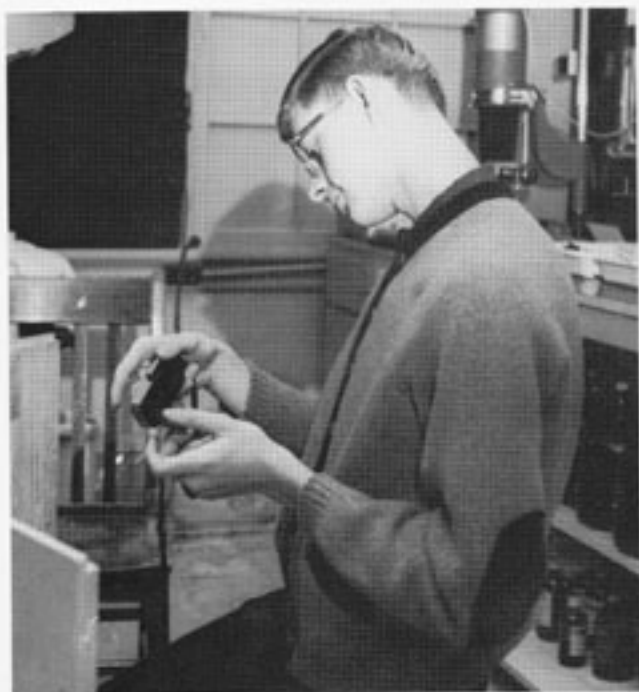

The 1963-64 Trojan is presented in an azure blue embossed-style padded covering. The end sheets feature the school printed in pictorial art on skylight.

The Yearbook Staff has worked many hours trying to relive in the Trojan the past school year's activi-

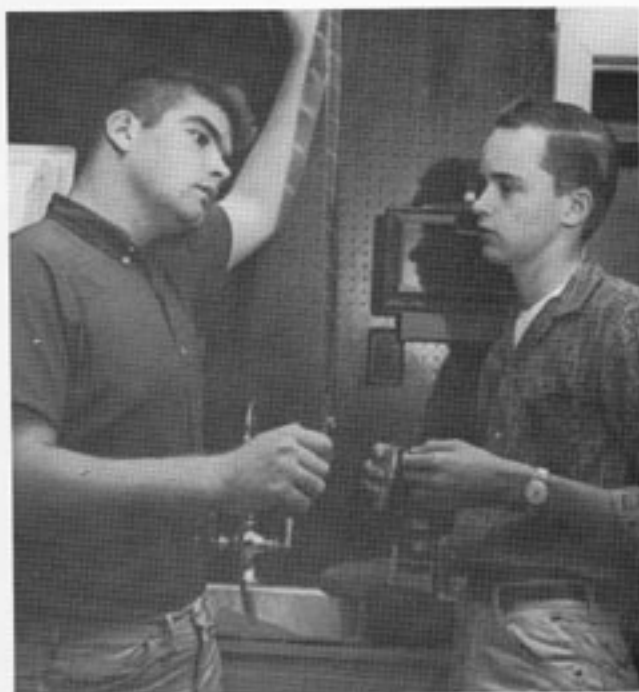

ties. The staff is composed of nine seniors and one junior, and is sponsored by Mr. Ewbank.

Write-ups have been stressed by the Trojan Staff to more fully visualize the many fine memories of the past year and to make the 1964 Trojan the best ever.

Drew Cornelius, photographer, checks the light meter in preparation for taking action shots of the Immaculata game.

Troy McCoach and Jeff Dunaway, developers, examine film which has just been developed for the '64 Trojan.

John McQueary, Editor, and Miss Vossler, Sponsor, look over final copy of paper.

## Trojan Was Information Organ Of O.H.S.

The Osawatomie Trojan was started in 1941 under the direction of Miss Mary Mott. In 1957 Miss Eleanor Vossler assumed the roll of sponsor of the newspaper.

Four seniors wrote and edited the Osawatomie Trojan which was financed by the Board of Education. They distributed six hundred copies of each edition to senior and junior high students, some alumni, and to schools in the surrounding area.

Hank Kester, Sports Editor, Janie Hauber and Charlotte Breedlove, Associate Editors, check printed copy.

OFFICERS, ROW ONE: Linda Stanley, Don Byers. ROW TWO: Evelyn Barnett, Tom Parmenter, Patsy Sanders.

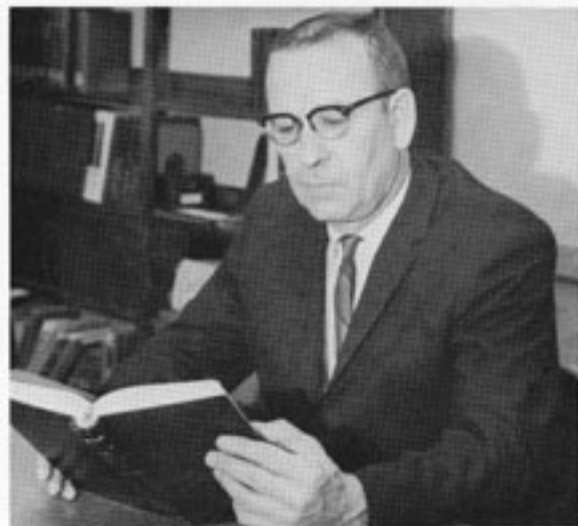

## Stuco Upheld School Tradition

The eleven students which constituted the Student Council were elected by the student body on September 13, 1963, for the school term of 1963-64.

The purposes of the Student Council are: To uphold the school tradition, to promote school activities, and to establish closer relationship between pupils, faculty, and the community.

Stuco displays plaque showing five-year membership in the National Student Council Association. SEATED: Evelyn Barnett, Connie Gonterman, Patsy Sanders, Linda Stanley, Nancy Young, Teresa Mitchusson. STANDING: Mr. Church, Sponsor; John Baumstimler, Don Byers, Tom Parmenter, Jamie Demastus, Suzanne Frazier.

W. R. Craig, President of the Board.

Mary Hohenstein, Clerk of the Board.

## Board Stands For Continual Improvement Of Schools

The members of the Board of Education have the responsibility of being in charge of the educational program at Osawatomie High. They are the elected representatives of the people and as such represent the ideas and thoughts of many people. The Board worked hard at the continual improvement of the school system. Mary Hohenstein served as Clerk of the Board.

BOARD OF EDUCATION: W. R. Craig, Tom Ludwig, Bill Sinclair, Dr. W. W. Harville, Frank Platt, and Robert Hawkins.

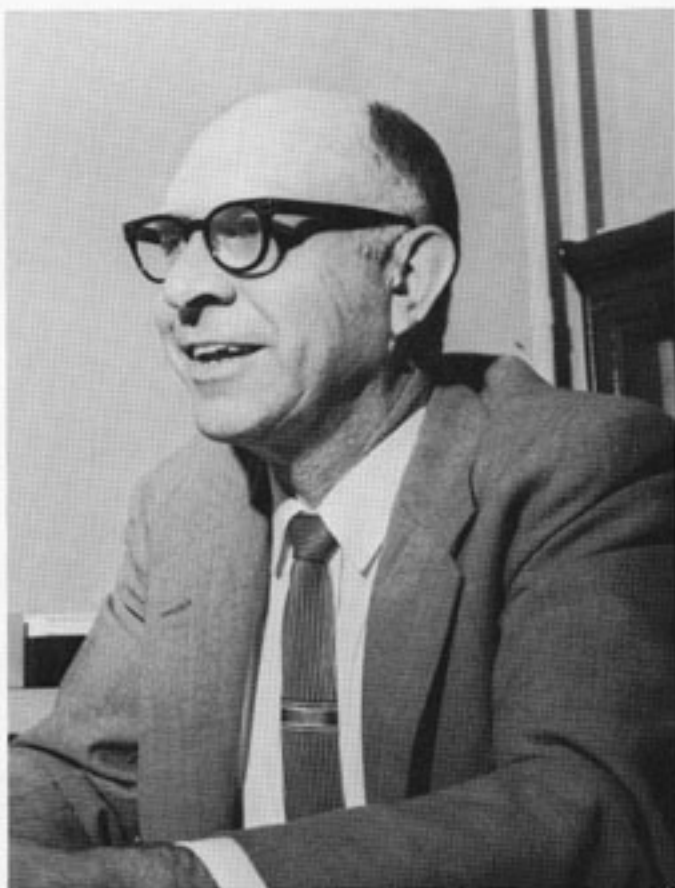

## School Personnel Directed By Mr. York

The range of administrative responsibilities of Mr. George A. York, superintendent, varied from the construction of the budget of the school system to hiring personnel. He upheld the school policy and acted as liaison between the teachers and the board of education. Along with his regular duties, Mr. York also found time to talk with some of the students.

## Principal Shaw Responsible For School Organization

The administrative and supervisory responsibilities of Mr. John Shaw, principal of Osawatomie High, entailed all the organizations within the school system. Along with this, Mr. Shaw has found time to talk with the students about their educational, vocational, or personal problems. A principal's job has many duties and Mr. Shaw has fulfilled all of these. He also has shown appreciation for work well done by the students and teachers.

Betty Lhuillier

Jo Anne Hays

## Staff Contributed Efficiency To School

The secretarial staff has been kept busy through the day doing their regular jobs and many duties that came up from club activities and needs of the students. Mr. Shaw's secretary, Betty Lhuillier, spent much of her time keeping the attendance records up to date. She also distributed the teacher's mail, contacted the parents when students were absent, and prepared athletic reports. Jo Anne Hays, secretary to Mr. York, also had many duties. She handled the correspondence, reordered office supplies, and had charge of the activity fund. Betty and Jo Anne, truly all around secretaries, contributed much to keeping the school running.

Many long hours were put in by our custodial staff which consisted of Charles Kuder and Carl Osbin. Not only have they attended to their regular duties, but they have also helped with the construction of props for the junior and senior plays. They provide a service for our school which is deeply appreciated by everyone.

Charles Kuder

Carl Osbin

## Student Stressed By

The teachers of O.H.S. have provided enrichment of the arts, sciences, and physical education for pupils. In addition to instructional duties the teachers gave their time sponsoring clubs and activities. Students were directed to develop specific skills best suited to their ability and needs.

# Ability Teachers

There were twenty teachers on the faculty. They received their degrees from these institutions: Baker University, College of Emporia, Emporia State Teachers College, Kansas State College of Pittsburg, University of Kansas, University of Missouri and Southwestern.

## The Mind Learned To Reason . . . . .

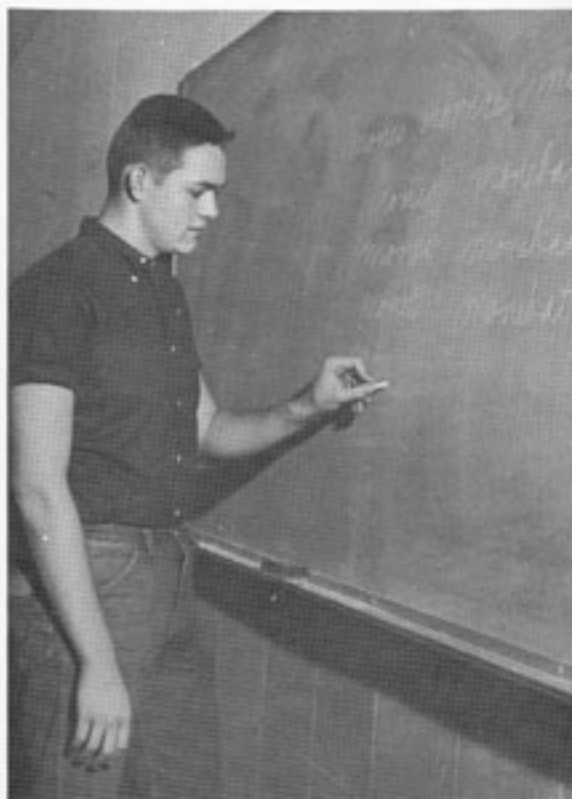

The student's mind was trained to develop its reasoning power in several ways. The U.S. government class learned the basic principals of our Constitution and its application to society. The American history class learned about the development of our country and the effect of past events on our lives today. The students in the English and foreign language department learned the fundamental rules of writing and speaking, and the speech students learned to express their ideas.

This phase of education was important because in developing the reasoning power of the student, life will be enriched both for him and those around him.

Government students observed court proceedings in a mock trial.

A Latin student practiced conjugating verbs.

English students learned to use the card catalog and the Reader's Guide.

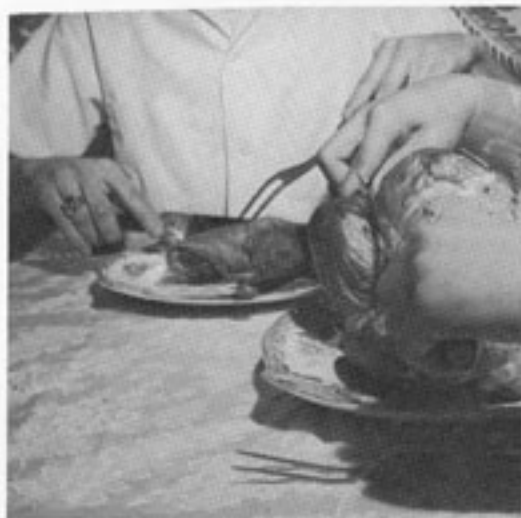

# The Hand Learned To Develop . . . . .

The student's hands were taught many skills. They ranged from the steady hand of the welder to the precise fingering of the typist. These skills were not acquired over night, but over a period of many months.

Acquiring these skills meant long hours of practice for the band member, the typist, and the physical education student. It meant constant trial and error for the foods student, the clothing student, and the mechanical drawing student. It meant gaining co-ordination and control of the hands for the driver's education and the shop student.

If these students have learned their skills well, they will have more useful and satisfying lives in the years to come.

HANDS AT WORK

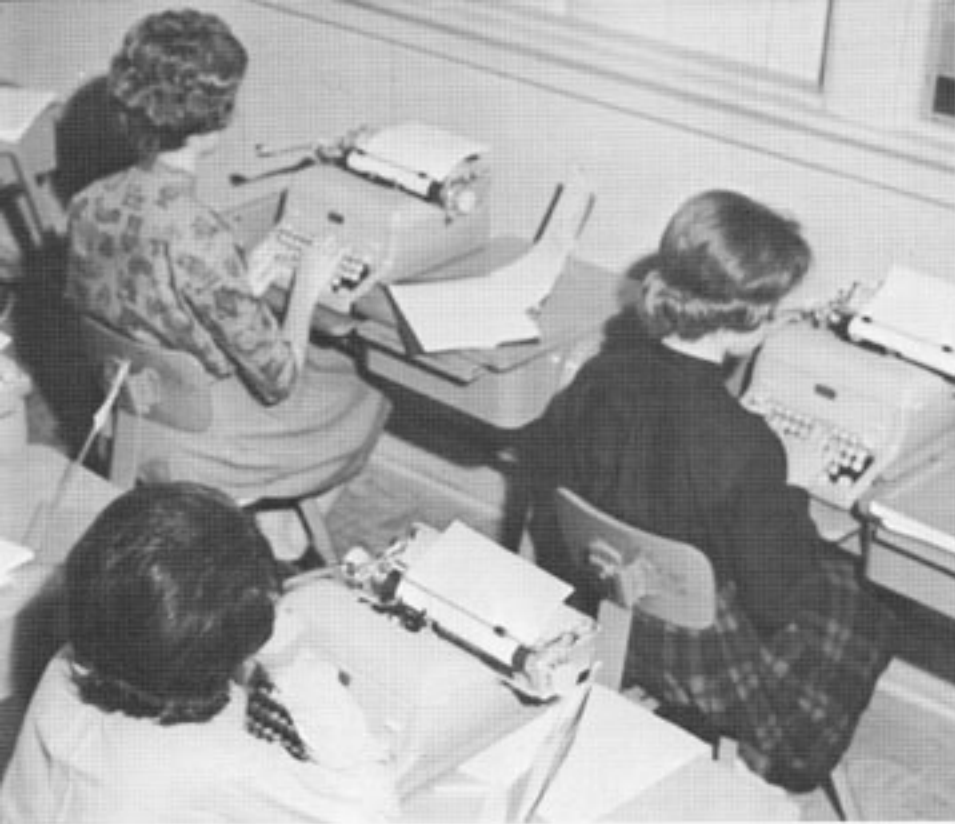

The clothing students put finishing touches on their projects.

Regular exercise kept the physical education boys in good condition.

Typing students developed speed and accuracy.

The shop student learned the art of arc welding.

The flute players in the band practiced fingering techniques.

The driver's ed. student acquired the skill of driving.

The mechanical drawing student learned the basics of design.

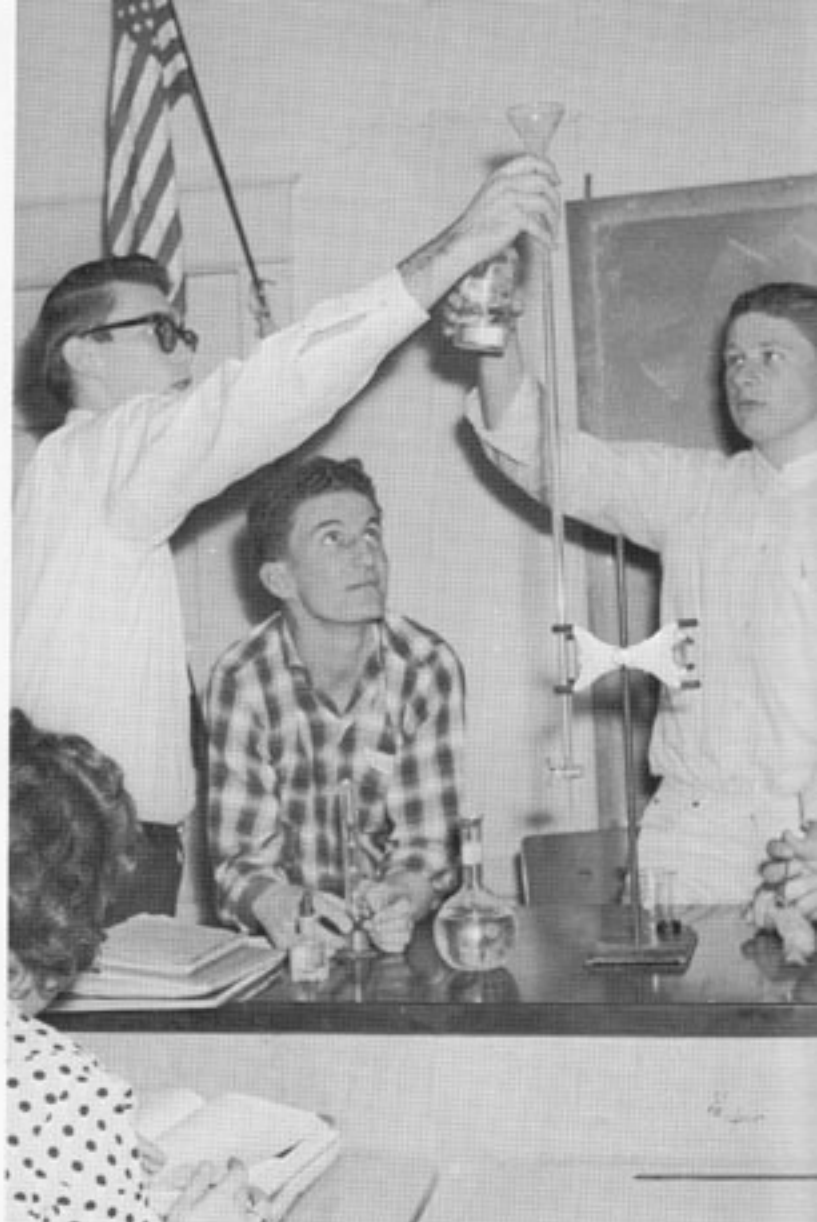

## Both Learned To Create

The student's hands and mind worked together to develop their creative power throughout the year. The biology student explored the world of plant and animal life. Through the understanding of the fundamentals of geometry and algebra, the math student learned their application to higher mathematics and thus better understood our extensive science and space programs. The chemist applied the theories of mathematics to work his equations, then proved them with experiments.

The development of the creative powers of the student was important because it will determine the progress of our society in the future.

A biology student began dissection of a worm.

Chemistry students conducted a titration experiment.

Boys in solid geometry discussed geometrical figures.

Seventy-nine students composed the O. H. S. Band, which was under the direction of Mr. Raymond G. Renoe. During the year they gave several performances for the community as well as the school.

This year the band took part in the Mid-America State Fair for the eighteenth consecutive year. During the half-time at home football games, programs were presented by the band.

Point chairman keeps points on service of girls.

Kayettes clean trophies.

# Kayettes Developed Responsibility Through Service

This past year Kayettes have contributed much to the community in the way of projects. The first project Kayettes assumed was to purchase a ribbon machine to make bows used on packages for the Christmas season and on other occasions. For their second project they decorated nut cups used as tray favors for the patients at the Miami County Hospital.

Kayettes donated old toys to send to a needy family at Christmastime and sent clothes for bundle days as additional projects.

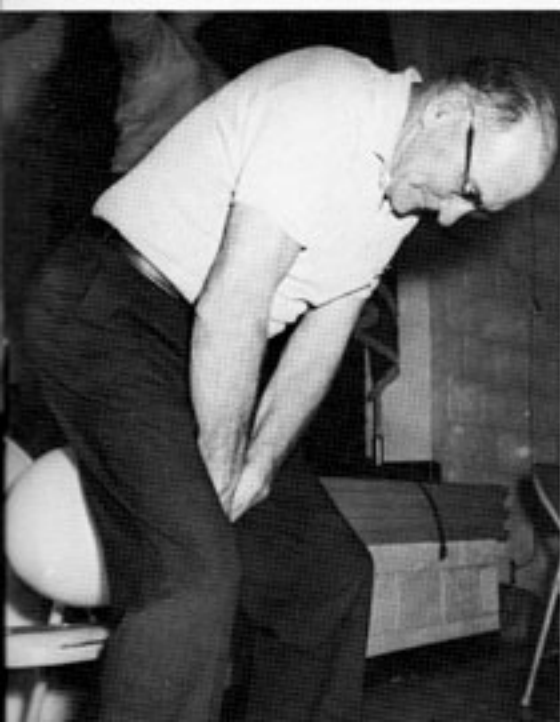

The Kayette Choir sang Christmas carols at the city schools and participated in other Kayette programs.

The annual Date with Dad party was held October 22 with the dads and daughters dressed in halloween costumes. A judging was held for the best dressed and a good time was had by all.

The Kayettes concluded their festivities for the year with the Mother-Daughter Tea on March 24 and Senior Farewell in May.

Kays sell popcorn at games.

Sponsors, Mr. Hays, Mr. Barclay, and Mr. Swenson, examine 3000 point award.

# Kays Contributed To School And Community

The Kays' activities ranged from the purchase of a popcorn machine, which they used during the basketball season, to cleaning the school grounds of all papers and waste.

The boys worked on many projects around the school and community. During the winter months several shoveled snow from the school sidewalks and sacked candy for Santa Claus to give to the small children. They also contributed a basket of food for a needy family.

The club had two new sponsors helping Mr. Swenson this year--Mr. Barclay and Mr. Hays.

Boys sacked candy at Christmastime.

# Pep Club Promoted Interest In Team

The Pep Club was created for students interested in our football and basketball teams. Its main function was to promote an interest in the team and to practice good sportsmanship.

Besides attending the games, the Pep Club's eighty-one members put signs in the halls announcing the games and decorated the goalposts or auditorium before games. They planned the crowning ceremonies for the football homecoming and were in charge of a coat check at basketball games. Also, Pep Club sponsored the Varsity Cheerleaders in the area Cheerleading Clinic.

ROW ONE: S. Landers, J. Troutman, E. Whitney, D. Lambert, L. Osborn, C. McVay, J. Troutman, R. Shaw, J. Peterson. ROW TWO: J. Wolken, T. Mitchusson, S. Stainbrook, C. Ludwig, D. Rayle, M. Polley, C. ## Scientific Facts Learned Through Projects

The members of the Future Scientists of America spent every first and third Monday and second and fourth Saturday working on projects such as the exploring of the hereditary traits of hamsters, examining the concentration of solutions for the growing of crystals, and studying static electricity by the use of the Van DeGraff Generator.

The main project this year was sponsoring the Science Fair which was held in the Spring. Many individual and group projects were displayed.

A few of the Science Club members experiment with crystals.

B. Day, Vice-President; M. Fowler, Librarian; C. Slayman, Recorder; Mr. Macklin, Sponsor; T. McCoach, President; P. Kapp, Secretary-Treasurer.

## TROJANS ON THE GRIDIRON

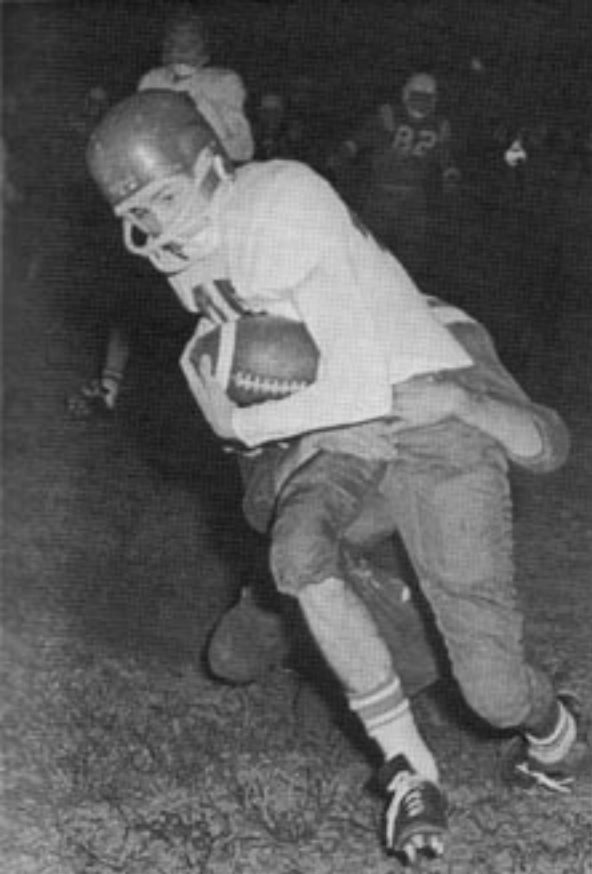

Trojans are making a hole for Harris.

Calvin makes a good punt under Trojan protection.

# TROJANS MET CHALLENGE OF TRYING SEASON

The Osawatomie Trojan football team compiled a 4-4-1 record. The Trojans started off the season well with a 13 to 0 win over Gardner. Difficulty developed in the Harrisonville and Immaculata games where the boys received thundering defeats. Homecoming was a bright spot for the Trojans, as they came up for the occasion and stomped Cass County 33 to 0. The Trojans' heel was pierced by Osage City, and then they journeyed to Bonner and Desoto. They tied the Braves and shut out the Wildcats 12 to 0. Osawatomie was upset by the Burlington Wildcats when they put the Trojans down by a score of 20 to 14. The triumph of the season was the defeat of the Paola Panthers 7 to 6 by the fighting Trojans. The Panthers led through most of the game 6 to 0, then came the fatal blow. With 22 seconds left in the game the conquering Trojans scored a touchdown and made the extra point, for the sixth consecutive win over Paola. This earned them the right for the Tom-Tom another year. The boys and their guests were honored by their mothers at the annual football banquet held at the Methodist Church on November 18. The tri-captains, Hank Kester, Bill Calvin, and Leon Harris, presented the Tom-Tom to Mr. Steele who represented the student body.

Summerall, B. Powell, Coach Barclay.

## Tom-Tom Hangs In Trojan Hall Again

The Tom-Tom returned to the halls of OHS once again for the sixth consecutive year. In the last twenty-two seconds the Trojans carried the ball over the goal line to tie the score at six to six. The extra point gave the game to Osawatomi with the score seven to six.

The Trojans and the Panthers have been meeting each other on the gridiron for the conquest of the Tom-Tom since 1939. The Tom-Tom has been won by Osawatomi twelve times, while Paola has acquired it only eleven times. The contest has ended in a tie twice.

## TROJANS HAD 9-10 SEASON

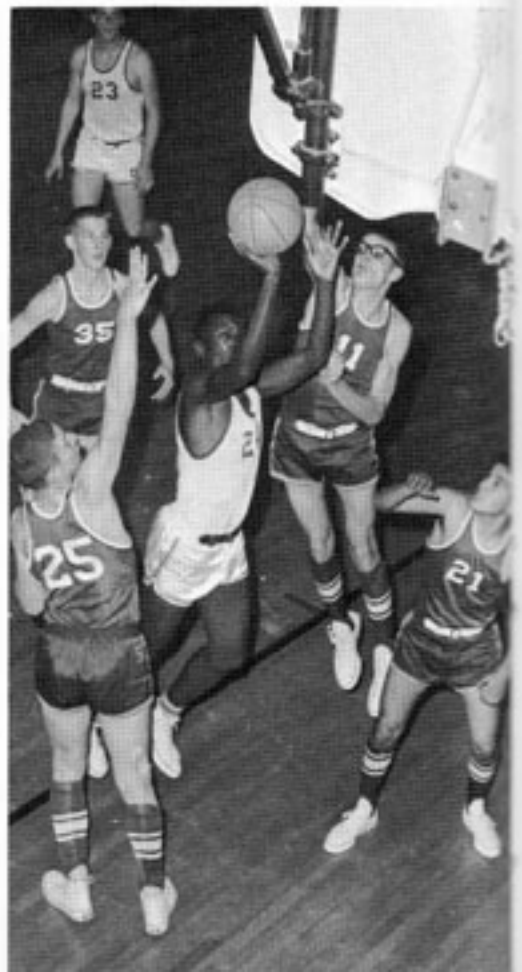

The Trojan Cagers opened their season with a defeat from Burlington by a score of 56 to 54, and then suffered a crushing blow from Osage City. Their record was evened by downing Gardner 65 to 51 and then squeezing by Louisburg 53 to 52. The Trojans placed third in the Christmas Tournament at Gardner due to a defeat by Gardner and a thundering win over Louisburg.

In the first bout with their arch rivals, the Paola Panthers, the Trojans stopped the Panthers 71 to 64. In the rematch with Osage City the cagers lost by a 20-point margin. Osawatomie came home for three games but were on the losing end in two of them. The boys beat Desoto 79 to 59, but were downed by Haskell 78 to 63 and by Harrisonville 64 to 53. The team traveled to Desoto to play a thrilling game and top the Wildcats 64 to 53. The Immaculata Raiders and the Bonner Braves invaded Osawatomie to beat the Trojans 65 to 54 and 54 to 47 respectively.

St. Joseph was upset by the fighting Trojans after two overtimes with the score resting at 89 to 88. Once again the cagers suffered defeat when they met the Olathe Eagles and were trounced 71 to 41.

The highlight of the season was the homecoming game against Paola. In this closely contested game the Trojans downed the Panthers 67 to 52. The team then journeyed to Gardner to participate in the Regional Tournament where they were eliminated in the first round by Gardner 71 to 58. David Flint, Bill Calvin, and Don Byers were elected Tri-Captains for the '63-'64 season.

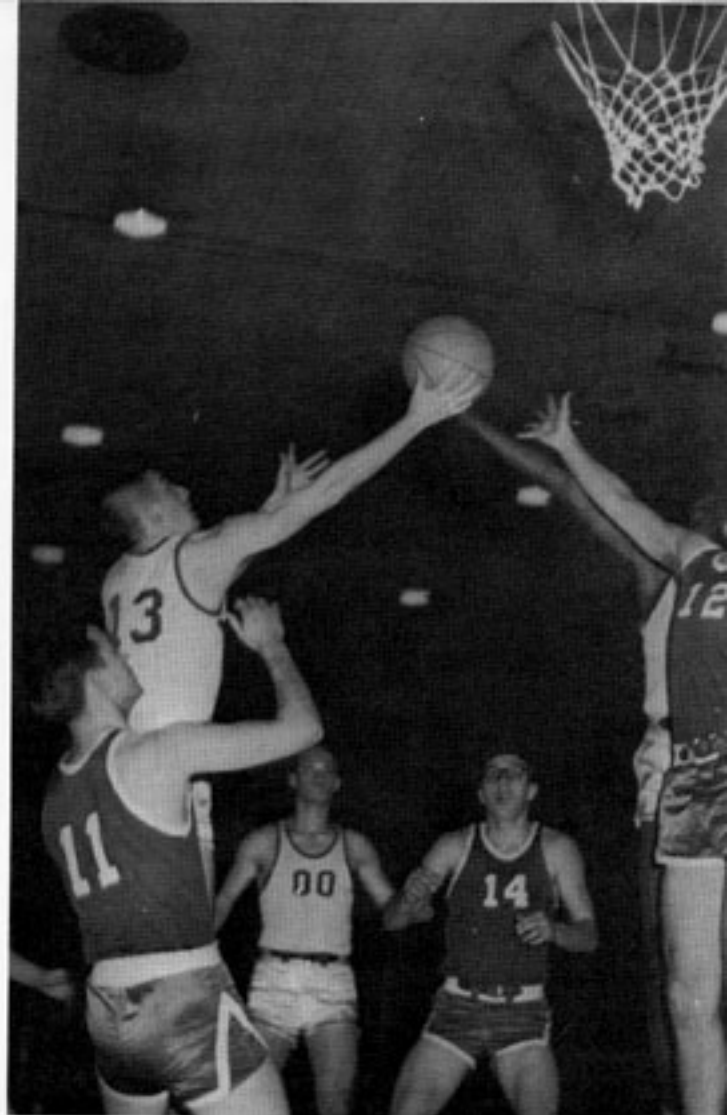

Winton cashes in for two more points.

Calvin drives on a fast break.

### YOU CAN'T KISS CAROLINE

"The "smooth set" from East End High wanted no intruders until the boys met Caroline. Action developed quickly as the boys made bets on the conquest of Caroline. Susie, Caroline's younger sister, learned of the bets and had to be bribed. All turned out with Caroline being accepted by both boys and girls.

The cast poses for a shot.

Director.....Mrs. Ellsworth  
 Stage manager.....Bill Calvin  
 Student helper.....Diane Davis

My feet are killing me!!

## SENIOR CLASS PRESENTED JUNE GRADUATE

Bob Gardner, President of the Senior Class, was disappointed on graduation night when he learned his mother couldn't send him to college. Not able to face the gang, Bob became engaged to Agnes, the most scheming girl in his class.

At the end of the summer when the gang started making plans for college, Bob realized that he had made a mistake. The money he had saved for the future was spent by Agnes for an engagement ring. On Labor Day Agnes decided she wasn't ready for marriage and, after selling the ring to Agnes' Aunt, Bob was able to go to school.

Married??? Oh...No!!!!

Engagement sealed with a kiss!!

Juniors and Seniors partake in the banquet.

Providing a farewell

## "These Precious Moments" Lived By Class Of '64

"These Precious Moments" were lived by the Juniors and Seniors on April 24, 1964. The traditional banquet held at the high school gymnasium was prepared by the food's classes with assistance from Mrs. Clerico. In the welcome Jo Nell Peterson expressed her wishes that this year's prom would be the highlight of treasured memories for all. John Yoger conveyed in the response his thanks to the Juniors for their time and effort in making this prom one of moments to remember. All awaited the magic hour that would commence a dreamy evening of dancing to the music of "The Continentals." At the stroke of twelve the scene of merriment moved to the high school auditorium for the showing of "The Notorious Landlady". The final event was the breakfast at the Elks Lodge served by the Lions and Elks. "These Precious Moments" will live forever in the memories of those young at heart.

Music by "The Continentals."

High Fashions of '64.

All Around Award

TOM PARMENTER  
Activities

JAMIE DEMASTUS  
Ada Remington Scholarship

BOB DAY  
Ada Remington Scholarship

ANNIE PIGGOTT  
Crisco Award

## Senior Sneak Ended All Too Quickly

The day of anticipation finally arrived for all Seniors on May 18 when they journeyed to Bagnell Dam for their annual sneak day. Soon after their arrival the Seniors went swimming or shopped in the various stores at Bagnell. After a morning in the sun, all returned, hot and tired, to the bus to eat the lunches they brought along. A few brave Seniors decided to try their skill at riding motorcycles and bicycles built for two. Fun and frolic was being enjoyed by all until an unfortunate accident occurred and Bob Day was injured. The Seniors reboarded the bus and traveled to Link's Landing. Here they rented speed boats and spent an enjoyable time riding in the sun. The fun-filled day ended when it was decided that Bob was not well enough to remain and the Seniors returned home.

What's on your mind, Bun?

What's behind the chair, Barbie?

Can you imagine what's to the left?

Which way to the bridge?

Oh hum! another year.

The brave ones of '64.

A nicey-nice girl?

The "Beverly Hillbillies" came to town.

What's in those baby bottles??

What babes!!

## Alumni Initiated Class Of '64

As the Alumni gathered from all sections of the country, the members of the Class of '64 were gathering in front of O.H.S. for a parade and initiation. The parade, led by the O.H.S. Band, marched through town to the city auditorium. Each initiate was required to sing a song or play an instrument. Lucky winners for best costumes were Cecelia Slayman and Tom Parmenter, first prize and Diana Waggoner and Gary Filby, second prize.

A banquet was held that evening in honor of the newly initiated alumni, followed by a dance for all alumni and their guests.

## Their Night Of Triumph

Dr. Wolfe delivered the address.

Mr. Craig gave Judy her diploma.

Seniors awaited

The band played "Chester Overture."

Dean Spears led graduates into the auditorium.

## Seniors Received Diplomas

On May 21 seventy-three seniors marched into the Municipal Auditorium to receive their diplomas, signifying that they had completed their requirements at O.H.S. Dr. William D. Wolfe, President of the Kansas Children's Service League, gave the address, "What Is Following You?" W. R. Craig, President of the Board of Education, presented each graduate with his diploma.

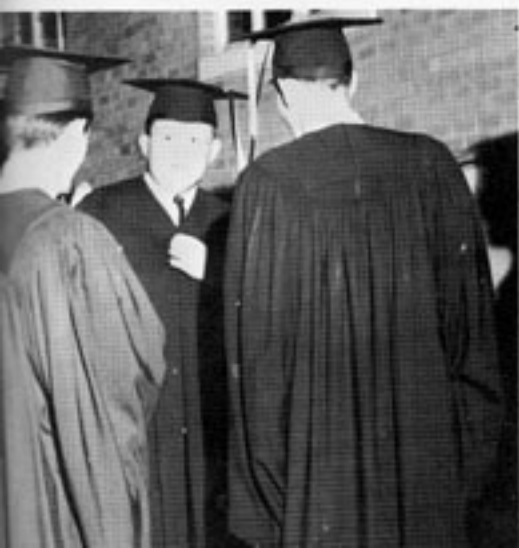

Baccalaureate services were held on May 17. Rev. George B. Snyder, Pastor of the First Baptist Church, delivered the sermon, "Looking Ahead".

This was a big moment for David.

Seniors examined their diplomas and packed their robes for the last time.

their final march.

## VARSITY SQUAD

ROW ONE: B. Cullumber, C. Mann, R. Needham, D. Sumrall, T. Troutman. ROW TWO: D. Ludwig, M. Evans, R. Cunningham, C. Williams, S. Punshon, B. Barnett. ROW THREE: D. Frazier, S. Bonner, C. Brown, G. Martin, D. Byers, Coach Steele. NOT PICTURED: T. McCoach, D. Spears.

Brown tops 5' 6", his high mark of the year.

Claude and Don sprint off for the 100 yard dash.

## FRESHMAN TEAM

ROW ONE: G. Thompson, M. Lombard, M. Lang, T. Torrez, K. Hinton, F. Mann, S. Cottrell.  
ROW TWO: M. Govea, R. Berry, C. Eastwood, T. Griffith, C. Borden, D. Sumrall, B. Griffith.  
ROW THREE: T. Dela Cruz, L. Dickey, K. Crouch, D. Peterson, B. Manning, J. Crowl, R. Cole, Coach Barclay.

## Trojans Show Skill But Lack Depth In Events

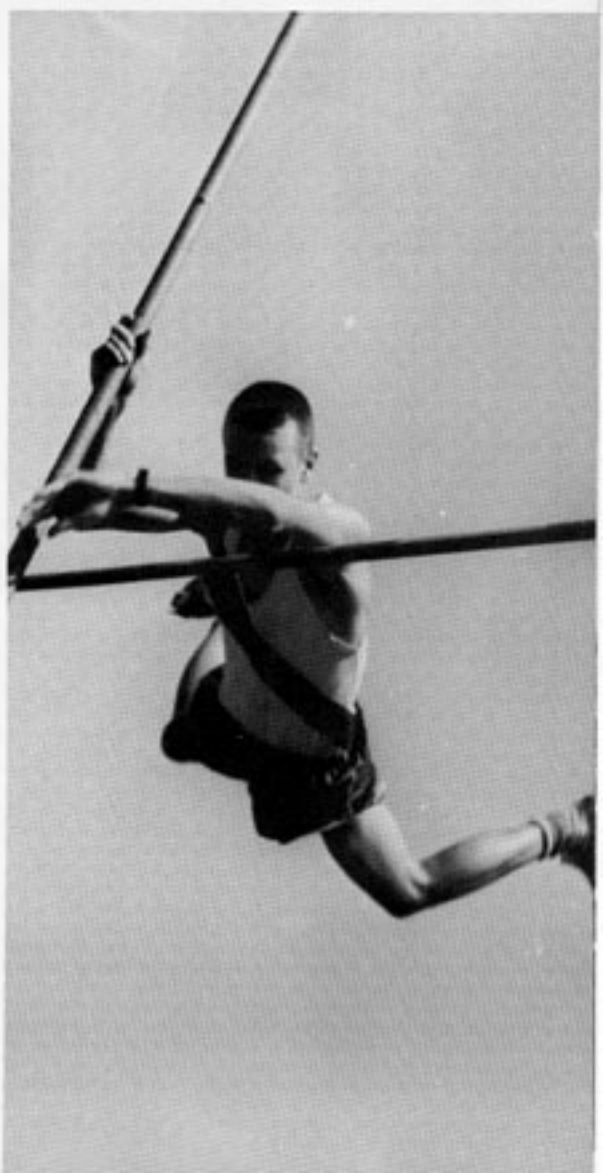

Evans tries for 11 feet.

The Spring track season proved to be one of disaster for establishing records at O. H. S. this year. The upper classmen squad contained only one senior and two junior lettermen lending support. This left Coach Steele with the problem of developing the remaining participants to carry the burden of the season.

The Trojans opened their season by participating in the Manhattan State Indoor meet with complete defeat. They journeyed to Ottawa where the team brought in one point with the 880 relay team consisting of Dean Spears, Claude Williams, Don Byers, and Nolan Craven. The B-Team took part in a meet at St. Joseph.

On April 10 the cinder squad showed fair promise with the accumulation of 15 1/2 points in the Paola Relays. Spears placed second in the 1/2 mile, while Craven was awarded second in the 100 yard dash and third in the 220 yard dash. The 880 yard relay team tied for first. The Trojan team went ahead to participate in the relays at Olathe, Iola, Fort Scott, and Baker. They also participated in a quadrangular at Paola and finished the season at the Regional Tournament in Fredonia.

With the experience of the returning varsity and the support of the upcoming Freshmen, next season promises to bring more action by the Trojans. This was quite evident when the Freshmen thin clads displayed their ability on the cinders by winning the meet at Paola and placing second in the Ottawa triangular.

Coach Heckart gives

## RACKET SQUAD

### LEFT:

Bill Calvin  
 Kent Harmony  
 Teddy Robinson  
 Steve Taylor  
 Jim Lynn  
 Marty Hughes

### RIGHT:

Craig Whitt  
 Dennis Davey  
 Mike Lewis  
 John Craig  
 Jack Slayman  
 Jack King

Craig and Bill hold regional trophies.

## Netters Took Regionals

Outstanding achievement was displayed on the O. H. S. Racket Squad by Craig Whitt and Bill Calvin. The two worked together in doubles to finish the season with a 13 and 1 record. The Team's season record fell far short of this standard with two wins, four losses, and one tie. The Trojans edged Ottawa and Olathe 4 to 3 and 5 to 4 respectively. Pitted against Shawnee Mission North the O. H. S. Team dropped two matches 5 to 4 and 6 to 3. Olathe dropped the racketeers in their return bout. The Team played to a tie with Ottawa and finished third in the Olathe Invitational Tournament.

Whitt-Calvin successfully defended their Class A-B doubles crown in the Regional Tournament, but they were defeated in the first round of state competition.

Netters on backhand swing.

Netters displaying skills.

## Divot Diggers Fall In '64 Season

Although the '64 golf team had the competitive spirit, they dropped all their matches this season. Ten Trojans practiced diligently throughout the season on the city course under the direction of J. Henry Reb. John McQueary, a senior, and Jeff Dunaway, a junior, carried most of the load in the matches. After losing to Immaculata 188 to 238 and 171 to 225 respectively, the team journeyed to Baldwin to receive a drumming defeat by a margin of 194 to 243. The squad failed to beat Paola twice, 205 to 249 and 199 to 230, and received a fourth place in the Paola Quadrangular Tournament.

Jeff and John develop putting skill under direction of Mr. Reb.

Dick Barrett, Tom Snyder, Vic Strnad, Stanley Rogers, Bill Powell, Bruce Bowker, Bobby Barnes.
